

1/29/2025 1:45PM OMB Memorandum M-25-13 has been rescinded. **Please note that this does not impact any Work Stop Orders that have been received and any notices to cease all DEIA activities on federal awards.** Our current understanding and expectations are below, but these are, of course, subject to change. We are closely monitoring announcements and guidance from federal leadership and will update this page as information is received.
