

Collaborative Collision: Mental Health & Well-Being

2018 Research Networking Event

Agenda

10:00 a.m.	Welcome Dr. Gary Ostrander, Vice President for Research
10:10 a.m.	Special Remarks Dr. Janet Kistner, Vice President for Faculty Development and Advancement, Professor of Psychology
10:20 a.m.	Discussion of Current Climate: National/State/Local Dr. Heather Flynn, Associate Professor and Vice Chair for Research, College of Medicine
10:25 a.m.	Presentation Session 1
11:20 a.m.	Break
11:30 a.m.	Presentation Session 2
12:15 p.m.	Informal Follow up Discussions & Lunch

Faculty		Email
Abbott, Laurie		labbott@fsu.edu
Research Interest: Advancing health equity; reducing disease risk; rural communities		
Notes		
Aubrey, Andree		andree.aubrey@med.fsu.edu
Research Interest: Tobacco cessation; health literacy		
Notes		
Chakraborty, Shayok		shayok@cs.fsu.edu
Research Interest: Computer vision; machine learning; artificial intelligence; autism, Parkinson's Disease and visual impariments		
Notes		
Chow, Graig		gchow@fsu.edu
Research Interest: Mental health in student-athletes, attitude toward psychological services, mental health literacy of significant others		
Notes		

Cormier, Eileen		ecormier@fsu.edu
Research Interest: Child and adolescent psychiatric/mental health nursing		
Notes		
Dong, Shengli		Sdong3@fsu.edu
Research Interest: Workplace and academic accommodations; transition issues to work and postsecondary education for youth with disabilities; mindfulness and meditation in counseling; aging population; chronic pain, anxiety, and depression		
Notes		
Feng, Jian		feng@bio.fsu.edu
Research Interest: Epigenetic regulation of neuropsychiatric disorders; drug addiction; bioinformatics; big data		
Notes		
Flynn, Heather		heather.flynn@med.fsu.edu
Research Interest: Psychological interventions for depression in women around the time of childbearing; substance use disorders; maternal-child mental health		
Notes		

Gabana, Nicole		ngabana@fsu.edu
Research Interest: Student-athlete mental health; the effects of music on sport performance; Positive Psychology; gratitude; spirituality		
Notes		
Graven, Lucinda		lgraven@fsu.edu
Research Interest: Improve outcomes and reduce morbidity in heart failure patients; identifying psychosocial factors and testing of coping interventions related to depressive symptoms in heart failure patients and caregivers		
Notes		
Hajcak, Greg		Greg.hajcak@med.fsu.edu
Research Interest: Individual differences in brain activity that relate to anxiety and depression in adults and adolescents; neurobiological measures (e.g., EEG/ERP, fMRI)		
Notes		
Hammock, Liz		ehammock@fsu.edu
Research Interest: Developmental Social Neuroscience; neural mechanisms of gene x environment interactions in animal models; translational research with genetics and biomarkers		
Notes		

Hom, Melanie		hom@psy.fsu.edu
Research Interest: Study and prevention of suicide-related conditions and behaviors		
Notes		
Joyce, Jeffrey		Jeffrey.Joyce@med.fsu.edu
Research Interest: Relating receptor pharmacology to the organization of transmitter systems in the brain and dysfunction		
Notes		
Kabbaj, Mohamed		Mohamed.kabbaj@med.fsu.edu
Research Interest: The neurobiology underlying individual differences and sex differences in depression and drug addiction		
Notes		
Kelley, Melissa		mnkelley@fsu.edu
Research Interest: Health disparities research; obesity risk prevention; cardiovascular health and wellness; community based participatory research; substance abuse prevention; creating healthy equity; youth population; Native American and Indigenous people		
Notes		

Kemper, Therese		kemper@psy.fsu.edu
Research Interest: Motivational Interviewing; Outpatient community clinic; training psychology students; establishing clinical and research collaborations		
Notes		
Lowe, John		jrlowe@fsu.edu
Research Interest: Relationships between Indigenous nurses, other health professionals, and transdisciplinary researchers and scholars; partnerships with Indigenous peoples, communities, organizations, and stakeholders worldwide; mental health equity interventions		
Notes		
Millender, Eugenia		emillender@fsu.edu
Research Interest: Depression; anxiety; genomics; trauma; high-risk behaviors; culture-centered care		
Notes		
Nowakowski, Richard		rsn@med.fsu.edu
Research Interest: Developmental neuroscience; neuroanatomy of the limbic system; gene expression and bioinformatics; mouse genetics		
Notes		

Pable, Jill		jpable@fsu.edu
Research Interest: Built environments for disadvantaged populations; generating and testing guidelines that can assist design practitioners and support organizations with the supportive design or renovation of existing and new buildings		
Notes		
Pevnitskaya, Svetlana		spevnitskaya@fsu.edu
Research Interest: Individual decision-making in markets and other strategic environments		
Notes		
Raney, Art		araney@fsu.edu
Research Interest: Media psychology; how and why we enjoy various media entertainment content and the role mortality plays in those processes		
Notes		
Smith, Hillary		smith@psy.fsu.edu
Research Interest: Role of anger in vulnerability to and maintenance of psychopathology, especially within mood and anxiety disorders; Outpatient community clinic; establishing clinical and research collaborations		
Notes		

Sutin, Angelina		angelina.sutin@med.fsu.edu
Research Interest: Psychological well-being; lifespan development; personality and health		
Notes		
Thyer, Bruce		bthyer@fsu.edu
Research Interest: Mental Health, Program Evaluation, and the promotion of evidence-based practice in mental health, substance abuse, and developmental disability services		
Notes		
Uejio, Christopher		cuejio@fsu.edu
Research Interest: Health disparities; environmental health; children's health; older adults; vulnerability and resilience		
Notes		
Wetzel, Denise		dwetzel@fsu.edu
Research Interest: Undergraduate information literacy, terminology usage disparities by STEM researchers, and meteorology resources use in academia; holistic outreach for students		
Notes		
Yu, Weikuan		yuw@cs.fsu.edu
Research Interest: Big data management and analytics; K-mer indexing for sequence fingerprinting and alignment; Scalable Image Processing; Graph analytics		
Notes		

Others with a Mental Health & Well-Being Focus (attending/not presenting)

Ai, Amy	amyai8@gmail.com
Research Interest: Cultural diversity and health care disparity; Adult mental health, posttraumatic growth, positive psychology, and spirituality; coping with traumatic life experiences, chronic conditions, and aging	
Anderson, Norman	nbanderson@fsu.edu
Research Interest: Mindfulness, emotional intelligence, and positive psychology (strength-based approaches); leadership training; interdisciplinary research; racial, ethnic, and economic health disparities	
Baker, Suzanne	Suzanne.baker@med.fsu.edu
Research Interest: Mental health in older adults; graduate education; research methodology; ethics	
Brownstein, Naomi	naomi.brownstein@med.fsu.edu
Research Interest: Chronic pain; environmental biostatistics; nutritional epidemiology	
Canto, Angel	aic3229@fsu.edu
Research Interest: Interventions for youth and families affected by trauma	
Carretta, Henry	henry.carretta@med.fsu.edu
Research Interest: Epidemiology, chronic conditions, program evaluation, asthma, autism, intellectual disabilities, research methods	
Clark, Jim	jclark5@fsu.edu
Research Interest: Therapeutic jurisprudence and forensic mental health research; trauma informed translational research	
Dickey, Sabrina	sldickey@fsu.edu
Research Interest: Health disparities in the Black population with a focus on prostate cancer; psychosocial factors influencing cancer communication within families; quality of life among male cancer patients	
Fogerty, John	John.fogarty@med.fsu.edu
Research Interest: Preventive and behavioral issues for families and medical students	
He, Zhe	
Research Interest: Assessing the generalizability of clinical studies using the electronic data in clinical trial registries, public patient databases, and clinical data warehouses; bridging the terminology gap between health information consumers and health professionals	
Krieger, Larry	lkrieger@law.fsu.edu
Research Interest: The well-being, satisfaction, values, and motivations of law students and lawyers	
MacDill, Pam	Pam.macdill@fsu.edu
Research Interest: Children's mental health and child welfare practice; implementation of training and certificate programs	

Noel, LaTonya	lnoel@fsu.edu
Research Interest: Depression prevention; rural adolescents, African-American and non-hispanic white adults; management of chronic illness and affective disorders in primary medical setting and in schools	
Piekalkiewicz, Ellen	epiekalkiewicz@fsu.edu
Research Interest: Generate and sustain transformational knowledge that furthers effective policy, services and research for the betterment of communities, families and children; nonprofit leadership; public policy	
Shelton, Susan Liipfert	sshelton@fsu.edu
Research Interest: Assessment of factors influencing depressive symptoms in postpartum women and non-pharmacologic intervention	
Stanwood, Gregg	greggstanwood@med.fsu.edu
Research Interest: The long-lasting neuro(mal)adaptations that can be induced by environmental stressors and drugs during critical windows of development	
Terracciano, Antonio	antonio.terracciano@med.fsu.edu
Research Interest: Aging; personality traits; health; dementia; obesity	
Tyson, Gary	tyson@cs.fsu.edu
Research Interest: Computer architecture; computational biology; mobile systems
