**COLLABORATIVE
COLLISION@FSU**

My Interest in Florida

- Connecting with new research projects to address interdisciplinary scenarios and problems

Expertise/Skills

- Engineering
- Medicine
- Global Health
- Interdisciplinary, collaborative research
- Translational STEAM research

Research and/or Projects

Inflammation-induced lymphatic architecture and bone turnover changes are ameliorated by irisin treatment in chronic inflammatory bowel disease

S. Anand Narayanan,^{*,1,2} Corinne E. Metzger,^{1,2,3} Susan A. Bloomfield,[†] and David C. Zawieja^{*}

^{*}Department of Medical Physiology, Texas A&M University Health Science Center, Temple, Texas, USA; and [†]Department of Health and Kinesiology, Texas A&M University, College Station, Texas, USA
