**COLLABORATIVE  
COLLISION @FSU**

### My Interest in Florida

- Extensive History of Collaboration with state and local policymakers and education leaders related to early childhood
- Interests in many aspects of child development including health, cognitive and social-emotional development
- Particular interest in serving the needs of children from backgrounds of poverty

### Expertise/Skills

- Early Childhood Education
- Reading and Language Development
- Randomized Instructional Trials
- Curriculum Development
- Longitudinal Studies
- Grant Management

### Research and/or Projects

I currently lead or co-direct numerous research and professional development projects funded by NICHD, the Institute of Education Sciences and the Division of Early Learning at the Florida Department of Education. Highlights from these projects are below:

- Leading longitudinal study of young children with vulnerabilities for reading and language disabilities
- Leading an in-depth project of how classroom interactions can support 3-5 -year-old children's language development
- Co-leading a project evaluating a reading intervention for k-1 students in Miami who are both dual language learners and have ADHD symptoms
- Directing two state-funded projects on the design and delivery of professional development to early childhood educators in Florida
